What Agrii do?

Agrii is the largest Agchem Distributor in the UK, we harness the power of skilled agronomists and the best Agri-intelligence to deliver unrivalled expertise and support for sustainable and profitable farming systems in the UK. As a leading provider of agronomy services, technology, and strategic advice, Agrii combines excellence and innovation with the latest research and development to ensure our customers can meet today's farming challenges with the highest degree of knowledge and confidence. Our integrated seed offer comprises Master Seeds, the UK's leading quality certified brand and a national fleet of on-farm mobile processors and commercial vehicles.

Despite Agrii's size, it remains family friendly with close knit and supportive teams.

Who are we looking for?

We welcome experienced drivers with the right attitude, new drivers, career changers, career returners, Job Sharers, all genders, and all ages.

Experienced applicants should:

- Hold Current Tachograph and Drivers CPC Cards
- Have an up-to-date ADR License
- Ideally be competent to operate counterbalance forklift trucks and hold the relevant certificate

We need good enthusiastic and positive people, keen to deliver a first-class service, who look after our customers and colleagues, and go the extra mile to provide the highest level of service with pride and a smile.

You do not need any previous experience. If you are the right person, Agrii will provide you with the training, equipment and vehicle required to become a highly qualified and respected professional driver.

Agrii is a family orientated business, committed to protecting the environment as best we can, we pride ourselves on the level of support we offer our staff, customers and the level of trust and loyalty they give back to us.

We offer applicants a stable, secure, long-term career with exciting opportunities for progression, responsibility, and rewards.

The Role:

With the appropriate Licence you will be driving a variety of vehicles including: 3.5 to 6.5 tonne Vans, 7.5 Tonne, 13.5 tonne, 16 Tonne, 22 Tonne and 26 Tonne.

If you haven't yet got a licence, Agrii will provide and pay for the training for You to gain a Class 2 Driver Licence.

You are far more than a driver, Agrii Drivers are highly trained professionals, qualified to carry strategic products to support food production systems for primary food producers. You will be ADR (Dangerous Goods) qualified and trained to use counter-balance FLT (Forklift Truck).

You will be delivering products including seed, fertiliser, animal health and nutrition products and to the most rural, and often most scenic parts of your region.

You will be a member of a small family orientated team; you will assist your colleagues to pick and load each other's vehicles and appropriately secure the products.

You will regularly revisit customers, and there is a good opportunity to build a strong rapport.
